2022

Dear friends...

Dear friends, on our recent visit to our partner schools in Southeast Asia I kept hearing that they are so thankful for your partnership with them in the gospel.

Their vision is refreshing. Plans for expansion related directly to winning more for Christ and for the planting of new churches, being based on training more leaders who can train others who will reach their communities for Christ.

In Thailand, the principal of Bangkok Bible Seminary is leading a key initiative called "Love Thailand 111", where their aim is to double the number of Christians in Thailand by 2030 from 500,000 to 1,000,000 and to plant 10,000 churches!

In Vietnam, the key evangelical college in Hanoi for the Evangelical Free Church is struggling to train new leaders for churches as in 2022, 60 new churches were started by them in the north.

Half the churches do not have pastors. Hanoi Bible College currently, has about 90 students doing a 4-year BTh. Their vision is to increase this to 500 students to meet the demand of their denomination, and others.

Your generosity is making a difference! With the burgeoning growth of the Church across Asia-Pacific, LeaDev-Langham/ Beacon Partnerships, is thankful for your generous support toward the development of Christian leaders within their own communities, cultures, and countries.

You have partnered with us, through your giving and time to support their development, ensuring the next generation of humble servant leaders is able to effectively lead the fast-growing church and to provide guidance in times of crisis.

Paul expresses the need to excel in giving as he speaks to the church at Corinth in 2 Corinthians 8: 7, "Since you excel in so many ways—in your faith, your gifted speakers, your knowledge, your enthusiasm, and your love from us—I want you to excel also in this gracious act of giving."

Thanks again for your generosity over the last year!
